Dear Friends,

It is with thankfulness in our hearts that we invite you to be present at the First Communion Mass, on the 1st September, at the 10.30 Mass. It will be the first Eucharist for our 32 candidates:

We thank you for your support in prayer and in a myriad of practical ways. Our candidates have shown eagerness to encounter Christ in this new and complete way. They are very excited to join you in the Eucharist in the fullness of the Sacrament.

We ask every blessing on the candidates' families at this special time. They have faithfully supported the preparation of their children at the sessions and at home.

We would like to thank them for their contribution to the program in cheerfulness, friendship and devotion.

We know that the meaning of the word "Eucharist" is "thanksgiving", indeed, we have much to be thankful for. May our candidates and their families have the Bread of Life nourishing them their whole life through!

Sacramental Team

Today, we are invited to reflect on one of the paradoxes of Christian life: that the way to glory is through humility. Jesus states the principle: "Everyone who exalts himself shall be humbled, and he who humbles himself shall be exalted." We must put into practice the virtue of humility, for only the "little ones" will enter the narrow door.

Today, humility is more often mocked than admired. It is badly misunderstood, not only in the world but also in the Church. Pope Francis is continually calling the Church back to this essential virtue on which today's readings give us rich instruction.

In today's Gospel, Jesus gives us two lessons on humility, a parable about where to sit at a wedding reception and an instruction about whom to invite to a meal. He is not teaching us about etiquette and social norms, but about humility. Sitting in the lowest place is an attitude, as is giving without expecting in return.

It is by loving our neighbour that we love God. Giving preferential love to the poor is an attitude. These are the attitudes we find in the heart of Jesus – we are called to imitate him.

Fr. Norberto

Unplanned is the inspiring true story of one woman's journey of transformation.

All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counselled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in. Until the day she saw something that changed everything. I hope you can make one of the nights.

In the event of an Emergency at St Mary's Cathedral or Sacred Heart Church the smooth operation of the Emergency Procedures can only be achieved if all parishioners, staff and volunteers are familiar with what is expected of them, otherwise panic could develop rapidly, resulting in chaos.

In the unlikely event of a fire or emergency in the Cathedral or Sacred Heart Church, please follow the instructions of the Chief Warden/Area Manager who will be wearing a coloured hard-hat. In most cases this will be the celebrating priest, or a sacristan.

In the case of the Cathedral, if it is safe to do so, parishioners in the back half should exit via the rear glass doors and through the Harrington St doors. Parishioners towards the front of the Cathedral or in the transepts should exit via the front Harrington St door or the sacristy doors and through outside to St Mary's College, if it is safe to do so. Once again, follow the instructions of the Warden. Do NOT return to seats or go looking for belongings. You must only take what is in your hands when the alarm goes off. If you are currently in the Cathedral Centre, **do not use the lift.** Call to everyone on your floor and assist any people if necessary to evacuate **via the stairs** and out through the front Centre doors. The designated gathering place for the Cathedral is in the car park, far from the Cathedral in Patrick St. The same applies for Sacred Heart Church; rear parishioners should exit via the doors above the College tennis courts. Forward parishioners should also exit via the same doors if it is safe to do so and not too crowded. If the Church is full the forward parishioners may exit via the sacristy. The gathering place is the quadrangle of the College as far from the Church as possible.

Even if you suspect it is a false alarm it is an offence to remain seated. Please ask someone for assistance to evacuate if necessary.

Please leave all driveways clear as the fire trucks will arrive and expect full access. This is why we ask that you do NOT park up alongside the Harrington St Cathedral doors or between St Virgil's College and the Cathedral in the small driveway. Also, please do not park right up against the Cathedral walls near the Mercy Door on the Patrick St side as these doors would need to be opened in an emergency.

If it is dark, please do not panic if the power is cut—this is purely an emergency precaution. If you have a torch on your phone feel free to use that but do NOT stand waiting to turn it on—simply proceed out in an orderly fashion.

Many members of the Cathedral Parish have been forwarded Emergency Evacuation Procedures so I once again ask that you familiarise yourselves with the document and come to the office to sign a register to record your awareness of the Procedures.

If you find you are alone in the building during an emergency, please proceed out the closest exit and ensure you call 000 even if the alarm is sounding.

Please ensure you always assist the elderly, infirm or vulnerable if safe to do so. Ensure doors are closed behind you to contain the fire. Do NOT wedge open the fire doors in the crypt or any other emergency stair door.

In the normal course of business, please ensure all heaters are turned off, candles extinguished and always report any suspicious behaviour to the office. Please do NOT let your children roam alone in the building nor ride up and down in the lift.

Thank you.

60th Anniversary of the arrival of Dominican Sisters in Tasmania.

Fr. John Wallis dreamt of a parish and school in Glenorchy. A school would need teachers and after many knock backs eventually the Dominicans agreed they would send sisters to Glenorchy. And so, in 1959, Sisters Mary Damian, Mary Celestine and Mary Clare arrived. Since that date other Dominican sisters have followed and many people, young and old, have been touched by the dedicated ministry of these remarkable women who served firstly in Glenorchy and later in other parts of Tasmania. On 15 September 2019, the 60th anniversary of their arrival will be celebrated with gratitude at Mass at 10am at St. John the Baptist, Glenorchy. We welcome you to join with us for morning tea following.
